PRESS RELEASE

GMASK supports the Philippine Masons

Manila, Philippines – Gmask Philippines gave full support to the Grand Lodge of the Free and Accepted Masons of the Philippines during its 91st Annual Communication held at Clark Expo, Pampanga last April 25-27. In honor of this occasion, Gmask made available FOUR (4) EXCLUSIVE Masonic designs to all the members who attended. These designs reflect the dynamism and brotherhood that characterizes a Mason. Members were very enthusiastic as hundreds lined up for their Gmasked gadgets requiring all Gmask artists to wrap gadgets from morning till night. Gmask will also make these designs available in selected outlets due to overwhelming requests from members who were not able to wrap their gadgets and even those who were not able to attend.
